

CLIMB AND PLAY

*not all products included are shown in rendering

3000-5000 SQ FT

The Gyms For Dogs Climb & Play dog park is designed for medium sized (3000-5000 sq. ft.) single-family, multi-family and resort type amenity park space areas. This park package utilizes a mix of climbing and play training products and provides a great place for owners to play with their dogs.

RUN AND PLAY
