Interactive Play Collection

Transform your space into a haven of fun and fitness for your pets with favorite play pieces! This earth-friendly play equipment is lighter in weight and is designed to move easily around the property. This version, like the Gyms For Dogs' large model, is designed for a multitude of activities that cater to your dog's natural instincts and exercise needs.

Our boards are a sustainable, durable alternative with the genuine look and feel of real wood. Best of all, it is made without harming a single tree, in a zero-waste environment in the U.S.A.

PLAY PLANKS HAVE TEXTURED PAW GRIP SURFACE

BRIDGE CLIMB

Dogs naturally enjoy elevated spaces, and at 24 inches tall, this bridge climb provides a resting platform where they can sit and survey their surroundings, giving them a sense of security and enjoyment.

Ideal for multi-family residential, doggie daycares, & animal shelters

TRAINING PLATFORM

The Training Platform provides a place for dogs to take a rest break while running the dog park course. Use this piece to practice commands and new training or groom your pooch while he takes a pause. This platform is designed for comfortable ADA use and features air vents for dogs to sit in comfort. Keeps dogs away from laying on the ground. Great for companion seating.

TUNNEL HOUSE

The Tunnel House is a perfect spot for dogs to relax and socialize after hard play. The Gyms For Dogs unique open-air design and vented roof allows dogs to keep cool by keeping fresh air moving and provides shelter from the sun. The Tunnel House brings dogs together and stimulates socialization in groups. Great for dogs to enjoy during a lazy sunny afternoon.

INTERACTIVE PLAY
Dogs need to play and socialize with both humans and other dogs on equipment to build confidence, foster positive relationships, and develop essential social skills.
