The Jump Dog Wrestle & Rumble Mats feature durable and comfortable foam padding enclosed in a reinforced vinyl cover, designed to withstand the rigors of dog scratches and bites, while giving dog paws the protection of a soft mat while they are at play. The water-resistant exterior ensures that accidents are easily cleaned up. These mats are not only resilient but also conveniently foldable and lightweight, facilitating effortless transport and storage. This adaptability allows you to easily convert your play space to suit your specific needs. Fold for easy storage.

- Wrestling serves multiple purposes in dogs' social dynamics:
- Social Bonding: establish and strengthen social bonds
 - Communication and Hierarchy: determining roles and relationships
 - Physical Exercise: helps burn off excess energy, maintain a healthy weight, and contribute to overall physical fitness
 - Mental Stimulation: keeps their minds active and alert during play
 - Playful Learning: Puppies, in particular, learn valuable social and physical skills through wrestling
 - Stress Relief: release pent-up energy and reduce anxiety

Jump Dog Agility Mat – Great for Garages

The Jump Dog Agility Mat is a specialized mat designed to enhance the safety and performance of dogs during everyday activities such as jumping from cars. The mat is engineered with the ideal amount of cushioning to minimize the impact on a dog's forelegs, shoulders, and back. This is crucial for preventing potential injuries during agility exercises, where dogs may be required to jump and land repeatedly. The surface of the mat is textured with a pebble grain finish. This not only adds a tactile element but also provides excellent traction for dogs. The enhanced grip helps prevent slipping, ensuring a secure footing for the dogs during their jumps and movements. **Item: DL-JDMT34-MAT**

Item: DL-JDMT06-SFM
29" W x 36" L x 3" H

SUV Pet Comfort Pad

- Returns energy to your pet, supports the skeletal structure of their body, and is great for day-to-day travel or long road trips.
