Strong, Safe & Secure

Our Dog Park Fencing adds warmth and old-world charm of a wrought iron fence with the elegance, strength and durability of a metal fence. Comes in 5' tall standard height. 4' and 6' available upon request.

Fencing Features

- Easy rackability adjusts to grade changes in the landscape
- Patented pin-hinge technology eliminates metal on metal which can cause fatigue and rust
- Rackable design easily adjusts panel to match terrain
- Flush Top and Flush Bottom
- Perfectly smooth rail as a result of the pin hinge technology
- Virtually maintenance free, thanks to the E-coat and architectural
- Standard spacing is 3.9" air space
- **Doggie DVR** panels feature a 3" air space for increased safety where pets play
- Simple assembly panel to post bracket design speeds installation, reducing labor cost

Warranty

15 Year Limited Warranty and lifetime limited warranty
Always check local codes for any fence specification requirements or codes.
